

**State Organization “Institute of Market and Economic&Ecological
Researches of the National Academy of Sciences of Ukraine”**

**Summary of the implementation of scientific research results
“Inclusiveness of the experience economy in nature management”**

(№0119U000229, performance period: 01.01.2019 – 31.12.2021)

Based on the results of applied developments, positive feedback and implementation information were received, in particular:

1. Secretariat of the Cabinet of Ministers of Ukraine (outgoing letter No. 24236/0/2-21 dated 26.07.2021) positively assessed the scientific report «*The Impact of Civil Society Institutions on the Development of an Inclusive Experience Economy in Nature Management*». It was noted that the proposals provided by the Institute may be further developed after the approval of the National Strategy for Promoting the Development of Civil Society in Ukraine for 2021-2026, during the preparation of action plans for its implementation. We thank the Institute for the work done.

2. Ministry of Community and Territorial Development of Ukraine (outgoing letter No. 8/36.5.1/3808-21 dated 12.07.2021) positively assessed the scientific report «*The Influence of Civil Society Institutions on the Development of the Experience Economy in Nature Management on the Basis of Inclusiveness*». It was noted that the provisions of the aforementioned report can be used in the preparation of strategic and planning documents of the Ministry.

3. Ministry of Environmental Protection and Natural Resources of Ukraine (outgoing letter No. 8/4-50/1179-20 dated 23.07.2020) positively assessed the scientific report «*Scientific and Methodological Principles for Determining the Interrelationship of the Inclusive Experience Economy and the Economy of Well-Being: A Behavioural Approach*». It was noted that the Ministry expresses its gratitude to the Institute's staff for substantiating behaviour in the recreation and socio-economic sphere based on the application of an eco-psychological approach, which will be used by the Ministry in its work.

Scientific Supervisor of the research:

Scientific Secretary,
State Organization “Institute of Market and
Economic&Ecological Researches
of the National Academy of Sciences of Ukraine”,
Professor, Doctor of Economics

Nina KHUMAROVA
