

**State Organization “Institute of Market and Economic&Ecological
Researches of the National Academy of Sciences of Ukraine”**

**Summary of the implementation of scientific research results
“Natural asset management based on blue growth”**

(№0122U000738, performance period: 01.01.2022 – 31.12.2024)

Based on the results of applied developments, positive feedback and implementation information were received, in particular:

1. Ministry of Economy of Ukraine (outgoing letter No. 3832-06/72604-07 dated 07.10.2024) positively assessed the scientific reports «*Scientific and Methodological Support for the Implementation of Environmental Principles of Entrepreneurial Activity in the Field of Water Use*» and «*Methodological Provisions on Ensuring the Assessment of the Degree of Greening of Entrepreneurial Activity in the Field of Water Use*». It was noted that the information specified in the notes will be used in the current work of the Ministry.

2. Ministry of Community and Territorial Development of Ukraine (outgoing letter No. 17246/43/10-24 dated 19.09.2024) positively assessed the scientific report «*Economic and Legal Support for the Development of Entrepreneurship in the Resort Economy*». It was noted that the suggestions will be taken into account in the further work of the Ministry.

3. Ministry of Environmental Protection and Natural Resources of Ukraine (outgoing letter No. 22/22-01/1395-24 dated 06.09.2024) positively assessed the scientific report «*Concept of the National Natural Assets Management Program*». It was noted that the Strategic Planning and Restoration Department of the Ministry has reviewed the materials and expresses its gratitude and high appreciation for the research conducted.
